The JK Edge

THE JK ORGANISATION

LATE SHRI GOVIND HARI SINGHANIA

19th Mar 1937 - 2nd Oct 2014

Founder JK Business School, Gurugram

VISION OF FOUNDER CHAIRMAN

Shri Govind Hari Singhania was an illustrious and visionary leader who was an entrepreneur in his own right and contributed immensely to the development of Industry as a senior industrialist. Apart from his contribution to the growth of the J.K.Organization (founded 139+ years ago) that ranks as one of the largest Industrial Conglomerates in India, Shri Singhania was the Vice President of the JK Organization and Director in various other JK Group's companies. He founded JK Business School (JKBS) in the year 2006 with a vision to provide high quality management education with a focus on academic excellence and skill enhancement of young aspiring managers and created world-class infrastructure at Gurugram to accomplish it. His vision, dreams and values will always remain the guiding principles for the JK Business School.

VISION

To be a globally recognized, socially righteous, environment friendly, trusted and innovative institution of excellence

MISSION

- To be a trusted institute for developing socially and environmentally sensitive managers
- To establish a technology adept environment for facing the dynamic industry
- To develop managers with global vision for business
- To nurture change leaders

MR. ABHISHEK SINGHANIA

Chairman, JK Business School,
Gurugram

CHAIRMAN'S MESSAGE

Today the world is becoming increasingly dynamic, complex, integrated and interdependent. Therefore, the future managers will be working in a constantly changing environment. The need of the hour is to develop a fiercely competitive edge with a global perspective. Therefore, knowledge becomes the primary source of power to get the core competencies required to meet this challenge of the future world.

JK Business School (JKBS), Gurugram is committed to providing excellent business education and we constantly strive to prepare our PGDM students to develop multiple discipline business skills through regular infusion of latest ideas that can help them in becoming successful managers. By using modern methods of blended learning we help them to adapt and successfully face complex challenges in their business career. We regularly review and upgrade our curriculum to keep pace with the requirements of the industry; in sync with the NEP 2020 we have introduced Outcome Based Education (OBE) that focuses on measuring student performance through outcomes which include knowledge, skills and attitudes. We invite industry leaders to share their experiences with students and seek Academic Collaboration with Foreign Universities and their faculty. During summer, all students work in an industry so as to develop a wholesome knowledge and understanding of doing business in the competitive environment. This enables them to have an ability to regularly adapt to the requirements of continuously evolving dynamic business situations.

An industry anchored B School, JKBS students enjoy a unique advantage of learning about all business tools and techniques from highly experienced and qualified faculty with vast theoretical and practical knowledge which is regularly polished and upgraded through constant interaction with practitioners from varied industries and research work. We have an excellent infrastructure including residential accommodation for all the students. JKBS is a perfect blend of academics and dynamic environment to motivate everyone. Therefore, the students joining JKBS will find their learning environment to be stimulating and congenial to prepare themselves adequately for a successful and rewarding business career. I wish our students a happy journey with us, and I believe that it will enable them to achieve their life's aspirations.

139+

YEARS OF PROUD LEGACY

Member of JK organisation (one of the leading private sector groups in India) with a great history of contribution to Indian business through diverse industries and initiatives in the field of education.

MR. PARTHO P. KAR

Director of Jaykay Enterprises Ltd
& JK Education Foundation

JK Business School (JKBS) is dedicated to providing a world-class education that focuses on enhancing skill-driven learning. We understand that in today's competitive job market, it is important for students to not only have a strong education, but also practical skills and experience to contribute to organizational goals. That is why we offer a range of courses that are designed to be futuristic and provide value to our students. One of our newest specializations, Digital Transformation, will give students the opportunity to understand and adapt to the current shift taking place in the business world.

At JKBS, we are committed to providing a holistic education experience. Our faculty consists of industry experts and professionals who bring real-world knowledge and experience into the classroom. We also offer internships and experiential learning opportunities to give students the chance to apply their knowledge in a professional setting.

In addition to our focus on skill development, we are also dedicated to helping our students build their professional networks and connections. We offer career services and networking events to help students connect with potential employers and industry professionals. We believe that these connections can be invaluable in launching a successful career.

Overall, JKBS is committed to providing a high-quality education that prepares students for success in their chosen careers. Whether you are interested in pursuing a traditional business degree or a more specialized field like digital transformation, we have a program that can help you reach your goals.

DIRECTOR GENERAL'S MESSAGE

I take immense pleasure and pride to join the hallowed JK Organization as a head of JK Business School & Director of JK Business School. Having successfully led two Business Schools of considerable repute in the past, and four reputed corporate organizations as Head of Human Resource, I am committed to put all my leadership experience to steer JK Business School to great heights. I envision a future for our School to be among top 100 in the World, top 20 in India, and top 5 in NCR, within a short span of 3-5 years.

Management Education is now in the cusp of rapidly changing times. The new graduates of Business Schools are expected to lead not only the domains in Business but also triumph in every frontier of Learning and Governance. The National Education Policy of India has continuous innovation at its core and flexibility in its spirit. The focus of learning is developing new age skills for future, as well as sustainable skills for all times. As a member of century old JK Organisation, the JK Business School is a shining example of combining continuity with change, and tradition with modernity. The syllabi of its PGDM program is designed to provide a solid foundation of understanding the core knowledge in different management and technological disciplines, and at the same time creating opportunities for students to learn the latest managerial practices. The continuous success in campus placement is a standing testimony of the ability to attract the top notch corporate recruiters to our Campus. The undergraduate BBA and BCA programs are the best of its kind being firmly supported by the JK Technology arms in every respect.

The faculty of the school is a blend of academic research and corporate expertise. They are vastly experienced in all domains and have significant tenures in corporate and governance. We shall seek global partnerships with best campuses in the world and continue to bring more and more reputed corporate houses for progressively partnering in our skill enhancement initiatives and for turning JKBS as their most preferred and trusted B-School for hiring.

I welcome the students of new batches and wish all our students a very bright future.
