Guiding Principle

To systematically develop, implement, and assess evidence-based strategies that cultivate a supportive academic ecosystem conducive to optimal institutional quality and holistic scholastic success.

Pillar I: Academic Excellence and Pedagogical Innovation

Objectives

O1. Institutionalize Quality-Driven Teaching-Learning Campaigns: To develop and execute targeted programs aimed at reducing the gap between traditional teaching and modern pedagogical demands among diverse faculty and student populations.

- **Metric:** Achieve a >=15% improvement in student feedback scores regarding teaching effectiveness as documented in the annual Institutional Quality Inventory.

- **Metric:** Integrate formalized innovative teaching modules into the professional development process for >=90% of faculty members.

O2. Optimize Academic Infrastructure and Services: To evaluate and enhance the capacity and efficiency of campus laboratories, libraries, and digital resources to ensure equitable and timely access to research and learning tools.

- **Metric:** Maintain the median resolution time for academic infrastructure grievances at <=48 hours, verifiable through service log data.

- **Metric:** 100% of departments will have access to clearly communicated, standardized protocols for curriculum delivery and assessment.

Pillar II: Research, Lifestyle, and Professional Integration

Objectives

O3. Promote Research-Enhancing Activity: To increase the accessibility and utilization of institutional resources that facilitate faculty and student research, publications, and professional engagement.

- **Metric:** Increase the documented participation rate in research seminars and workshops by a minimum of 10% year-over-year.

- **Metric:** Complete a formal assessment of research facilities to identify and address >=80% of documented barriers to high-impact publishing.

O4. Disseminate Quality Literacy and Accreditation Awareness: To ensure all stakeholders are provided with comprehensive, accessible information regarding accreditation standards (such as NAAC/NBA), quality benchmarks, and institutional protocols.

- **Metric:** Achieve >=95% awareness of IQAC functions and location of quality manuals among staff, verifiable via orientation surveys.
- **Metric:** Conduct two major quality education initiatives (e.g., Internal Audits or Benchmarking sessions) per academic term.

Pillar III: Institutional Alignment and Continuous Evaluation

Objectives

O5. Establish Interdepartmental Policy Integration: To collaborate with academic and administrative departments to embed quality-control considerations into institutional policies, procedures, and curricular design.

- **Metric:** Secure formal approval for >=2 policy recommendations related to quality enhancement (e.g., student-centric learning, feedback mechanisms) by the Governing Body within the biennium.
- **Metric:** Establish a formalized, cross-functional referral protocol involving Admissions, Examinations, and Career Services.

O6. Conduct Rigorous Program Evaluation: To systematically collect, analyze, and report quantitative and qualitative data to assess the efficacy of all quality interventions and inform continuous quality improvement.

- **Metric:** Publish an annual, data-driven report detailing program outcomes, resource utilization, and strategic quality recommendations to institutional leadership.
- **Metric:** Achieve >=80% completion rate on end-of-program surveys for all major quality and development initiatives
